Subsequent renewal invoice/notices are issued 30 days prior to expiry. Pre-payment for future years may be submitted if desired. Future membership benefits, rates and forms are posted to this page: [LINK](#)

Processing of free membership is contingent on volume of entries at any given time. Please allow for any unexpected delays.

**** Exclusions**** Complimentary membership is offered to recent graduates only, and does not apply to legacy members or renewal of expired memberships.

After processing please revisit and review for accuracy: [iSTOP Directory](#)

Your new profile listing will be posted soon, check for your pin marker on the interactive [MAP!](#)

To help build a community for GunnIMS, we hope the map will help you find fellow practitioners nearby for collaboration and support. Potential patients will likely search for your unique services using the map also.

You may upgrade to a paid membership anytime if you wish to enhance your listing.
