

## CC Gunn CV - directory of published works

### Textbooks

Author: **Treating Myofascial Pain – Intramuscular Stimulation (IMS) For Myofascial Pain Of Neuropathic Origin**, University of Washington, 1989

Author: **The Gunn Approach To The Treatment Of Chronic Pain – Intramuscular Stimulation (IMS) For Myofascial Pain Of Radiculopathic Origin**, Churchill Livingstone, London, 1996

Contributor: 3 chapters in *The Management of Pain*, Editor J.J. Bonica, Lea & Febiger, 1989:

- Chapter 23: Other Painful Musculoskeletal Disorders
- Chapter 31: Medical Evaluation of the Patient with Pain
- Chapter 90: Acupuncture

Contributor: 2 Chapters in *Medical Acupuncture: A Western Approach*, Churchill Livingstone, London, 1997:

- Chapter 2: Acupuncture in Context
- Chapter 9 Acupuncture and the Peripheral Nervous System

Contributor: 2 Chapters in *Textbook on Pain Management*, Turkish Pain Society, 2000:

- Part 1: Acupuncture Stimulation Techniques
- Part 2: Intramuscular Stimulation (IMS) – A Neuroanatomic Dryneedling Technique

Contributor: *The Management of Pain, 3<sup>rd</sup> Edition*, John D. Loeser et al, Lippincott Williams & Wilkins

- Chapter 28: Neuropathic Myofascial Pain Syndromes

Contributor: *Textbook of Musculoskeletal Medicine*, Michael Hutson & Richard Ellis, Oxford University Press,

- Part 4.3.9: Soft-tissue pain – treatment with stimulation-produced analgesia
- 2<sup>nd</sup> Edition: 2012

## Medical Papers

1. Anemia in Infants: Response to Ferrous Fumerate - Arch.Dis.Children, 1959
2. ECG Changes in Cretins Following Diiothyronine – Arch.Dis.Children, 1960
3. Coronary Disease in Patients at the Rehabilitation Clinic 1971 (WCB)
4. Partial Prosthesis for Transmetacarpal Amputation. Proceedings - Congress Physical Medicine, 1972
5. A Comprehensive Rehabilitation Program for Low Back Sprain (co-authored). Proceedings – International Symposium on Rehabilitation of Industrially Injured, 1973
6. Acupuncture – A Scientific Enquiry – Report WCB, 1973
7. 100 Patients with “Low Back Sprain” treated by Surface Electrode Stimulation of Acupuncture Points, American Journal of Acupuncture, September 1975
8. Acupuncture Loci: A Proposal for Their Classification According to Their Relationship to Known Neural Structures, American Journal Chinese Medicine, 1976
9. Tennis Elbow and the Cervical Spine, CMA Journal, 1976
10. Tenderness at Motor Points – A Diagnostic Aid for Low Back Injury, Journal Bone & Joint Surgery, 1976
11. TNS Acupuncture, & “The Ch’i” Phenomenon, American Journal Acupuncture, 1976
12. Tennis Elbow and Acupuncture, American Journal Acupuncture, 1977
13. Type IV Acupuncture Points, American Journal Acupuncture, 1977
14. Shoulder Pain & Cervical Spondylosis, American Journal Acupuncture, 1977
15. Utilizing Trigger Points, American Journal Acupuncture, 1977
16. Bursitis Around the Hip, American Journal Acupuncture, 1977
17. Shoulder Pain Referred from the Cervical Spine, JAOA, 1977
18. Peripheral Nerve Injuries Mimicking Lumbar Discs, BCMJ, 1977
19. Neurological Mechanism of Needle-Grasp, American Journal Acupuncture, 1977
20. Early and Subtle Signs in “Low Back Sprain”, Spine, 1978 (AGM Royal College of Physicians and Surgeons)
21. TNS, Acupuncture & the Current of Injury, American Journal Acupuncture, 1978
22. Motor Points and Motor Lines, American Journal Acupuncture, 1978
23. Prespondylosis and Some Pain Syndromes, Spine, March 1980
24. Dry Needling at Motor Points for Chronic Low Back Pain – A Randomized Clinical Trial with Long Term Follow-up, Spine, 1980
25. Causalgia and Denervation Supersensitivity, American Journal Acupuncture, 1979 (2<sup>nd</sup> World Congress)
26. Male-Pattern Hair Loss – Supraorbital Nerve Entrapment Syndrome? Co-author Dr. Mathew H.M. Lee, International Electro-Therapeutics Journal, 1980
27. Hair Loss and Chronic Low Back Pain, American Journal Acupuncture, 1980
28. Letter to the Editor, “Conventional orthopedic examination of low back is inadequate”, Modern Medicine
29. Neuropathic Pain – a New Theory for Chronic Pain of Intrinsic Origin, Annals of Royal College of Physicians & Surgeons, Canada, Vol. 22, No. 5, July 1989
30. Dry-Needling in Musculoskeletal Pain Syndromes, International Journal Acupuncture, 1990
31. Review, In Pain, 1989
32. Letter to the Editor “Whiplash Syndrome and neuropathic pain”, BCMJ, 1989
33. Chronic intractable benign pain, Pain 39, 1989
34. Mechanical Manifestations of Neuropathic Pain, Annals of Sports Medicine, 1990
35. Treating Myofascial Pain, American Academy of Medical Acupuncture, 1991
36. Review, 3000 Years of Acupuncture, From Metaphysics to Neurophysiology, Integrative Psychiatry, 1992
37. Letter to the Editor, “Fibromyalgia – What have we created?”, Pain, 1995
38. Letter to the Editor, “Re: Musculoskeletal Examination”, Royal Society Medicine, 1995
39. Principles & Practice of Contemporary Acupuncture, Journal of Pain and Symptom Management, 1995
40. Chronic pain: time for epidemiology, Journal Royal Society Medicine, 1996
41. Getting to the point, Feedback, Rheumatology in Practice, Spring 1996
42. Radiculopathic Pain – Diagnosis and Treatment of Segmental Irritation or Sensitization, Journal Musculoskeletal Pain, 1996
43. IMS – an effective dryneedling technique for the treatment of myofascial pain. Proceedings, 7<sup>th</sup> International Symposium, The Pain Clinic, Istanbul, 1996
44. Acupuncture Analgesia – Scientific Outcome, 7<sup>th</sup> International Symposium, Istanbul, 1996
45. Neuropathic Myofascial Pain Syndromes, Bonica’s Management of Pain, Third Edition, 2001, Lippencott, Williams & Wilkens
46. Letter to Editor Reply to letter by Dr. DG Simons – Trigger Points
47. Whiplash – Treating Whiplash Associated Disorders with Intramuscular Stimulation (IMS)  
Review of 43 patients with Long-Term Follow-Up - Journal of Musculoskeletal Pain, Vol. 9 (2) 2001
48. Acute Respiratory Distress Syndrome Successfully Treated with Low Level Laser Therapy - Journal of Complementary and Integrative Medicine, Volume 2, 2005, Issue 1
49. Upper Lumbar Radiculopathy – A Seldom Detected Cause of Back Pain, The Journal of Orthopaedic Medicine, 29[3] 2007 p79 – 84
50. Neuroanatomical Basis of Acupuncture Treatment for Some Common Illnesses – Acupmed, 2009
