Message from the Staff at iSTOP :
Our gratitude goes out to all iSTOP members for your donation towards making the iSTOP directory possible. We thank you for making GunnIMS resources available to the public: for patients, practitioners, researchers, life students and enthusiasts alike.
By keeping your membership current, your profile and contact information remains view-able to the public in the web directory. If you wish for your profile to be clandestine, please let us know.
Gunn IMS "points" the way!

Sincerely,
The Institute for the Study and Treatment of Pain
