

CGIMS Updates - October 2020

CGIMS Virtual Lecture & Updates - October 2020

VIRTUAL LECTURE

2020 Annual UBC Chan Gunn Lecture

<https://www.gunnims.com/2020gunnlecture.html>

The Elite Athlete, their Support Team and Gunn IMS

Thursday October 22, 2020

5:00 - 6:00PM (PT)

Speakers: Cory Choma, Quin Sekulich, Neville Wright

Each year, distinguished scholars/clinicians are invited to speak at the UBC Chan Gunn Annual Lecture about issues related to IMS and neuropathic pain. This lecture is held in honour of Dr. Chan Gunn and his generous contributions.

We hope that the virtual format will encourage exponential & unprecedented attendance this year.
